

Quality Matters K-12 Teaching Online Certificate

The Wyoming Department of Education (WDE) will sponsor the Quality Matters (QM) Teaching Online Certificate training for Wyoming school district staff. The QM Teaching Online Certificate is obtained by completing the seven online workshops listed below. QM digital credentials are provided for successful completion of each workshop and the certificate. Educators can register for the workshops at the QM website using their school district email domain to ensure WDE sponsorship. Contact Lori Thilmany at lori.thilmany@wyo.gov or 307.777.7418 with any questions.

Wyoming educators interested in the QM Teaching Online Certificate may follow these steps:

- Visit the Quality Matters [website](#) for the workshop dates and registration information
- Register for the workshops using your school district email address
- Note on the registration form the WDE is sponsoring your registration fee
- Complete all seven workshops in any order and as your schedule allows
